

FORTALEZA

(2 nights package)

Two words define the capital of Ceará State: sun and party. Sun is absolute on 25 kilometers of beaches. Party is the permanent state of spirit of the people and the city. Forró, typical musical style on the region of northeast, is on the people's blood, on the beaches, on the bars, on the restaurants, on the hotels, in the dance clubs, on the streets of Fortaleza. If people's happiness and hospitality and the cultural animation are characteristics that make people love Fortaleza at the first sight, other elements also contribute to include the city on the required route of the visitor on Brazil's northeast. Modern capital, it has become one of the preferred beach of Brazilian and Latin-American visitors due to the combination of nature with a sophisticated infrastructure.

SALVADOR DA BAHIA

(2 nights package)

Capital of the State of Bahia, and was also Brazil's capital until 1763, is divided in two parts. The "Lower City" is at sea level and contains the old port and the commercial area where visitors will find a complete and varied assortment of Brazilian arts and crafts at the Modelo Market. It is also the best place to witness a demonstration of "capoeira", a martial art developed by African slaves in Brazil, originally as a form of combat and later as a type of dance and folklore tradition. The "Upper City" can be reached by stone steps, alleyways or the famous Lacerda Elevator. This part of the city contains the old government buildings, the residential districts, museums, churches and much of the newer architecture.

Day 1 – Transfer from Salvador airport to selected hotel.

Day 2 - We start in the modern suburb of Barra at the mouth of the Bay with its famous lighthouse and make our way slowly by car or coach to the old historical section of town, the Pelourinho area with the largest and the best preserved complex colonial architecture in the Americas. We stroll through the narrow, bustling streets lined with buildings in pastel shades of an age gone by. We visit the church of S. Francisco with its exuberant gold-leafed Baroque interior and the Pelourinho square, the heart of the old town. This tour shows two distinct aspects of Salvador, the new and the old, concentrating on the early expansion of the city.

Day 3 – Transfer out to Salvador airport.
