

## MANAUS

(02 & 03 nights packages)

Capital of Amazonas, the largest state in Brazil, is a modern city. It is also the ideal point of departure for visiting the rest of the Amazon region. Tour boats leave Manaus to see the Meeting of the Waters, where the black waters of the Negro River meet the light waters of the Solimoes River, flowing side by side without mixing for several miles. Visitors can also explore river banks and "igarapes", swim and canoe in placid lakes or simply walk in the lush forest. The most adventurous may even choose to spend a night or two in the jungle in close contact with nature
